

ABOUT PAUL JONES

SVP, NQM DEVELOPMENT & PRODUCTION

Paul Jones has been in the mortgage business for 25 years and serves as FGMC's SVP of Non-QM Development and Production. Paul's passion for Non-QM and expanding FGMC's Maverick Solutions product suite is evident in everything that he does. Throughout his career, he has trained, coached, and mentored colleagues and other mortgage professionals; spreading his philosophy that knowledge is a key factor to success in the daily mortgage equation. Paul is a 2021 HousingWire Insider, widely known as a Non-QM Industry thought leader, and is an active member of the MBA and NAMMBA.
